## **RE: Notice of Paving and Road Closures**

Water and Sewer Main Improvements around Lake Desire

Dear Home Owner,

This letter is to notify you that we have scheduled the final paving in the Lake Desire project area on Wednesday and Thursday, April 15<sup>th</sup> and 16<sup>th</sup>. Please see the attached map showing the closure times and areas. (The Red lines are total closure for the time period listed below, and the Blue lines are areas open to one lane only.) The following closures and restricted lanes will occur:

### **WEDNESDAY APRIL 15<sup>TH</sup>:**

174<sup>th</sup> Ave SE **WILL BE CLOSED** from 12 Noon until 2 p.m.

Between SE 173<sup>rd</sup> south to the end of the East Lake Desire Drive SE  
**WILL BE CLOSED** from 8:00 a.m. until 7:00 p.m.

Due to the size of the equipment it will not be possible for any car to pass by during this portion of the paving. If you need to get out during these hours, please make arrangements to park your car outside of this area. You will be able to walk by the equipment in the paving area.

### **THURSDAY APRIL 16<sup>TH</sup>:**

Paving will occur between SE 173<sup>rd</sup> Street to approximately 172<sup>nd</sup> Avenue SE. During this paving, one lane will be open to traffic but you may experience some traffic delays while trucks leave and enter the roadways. A flagger will be present during the paving.

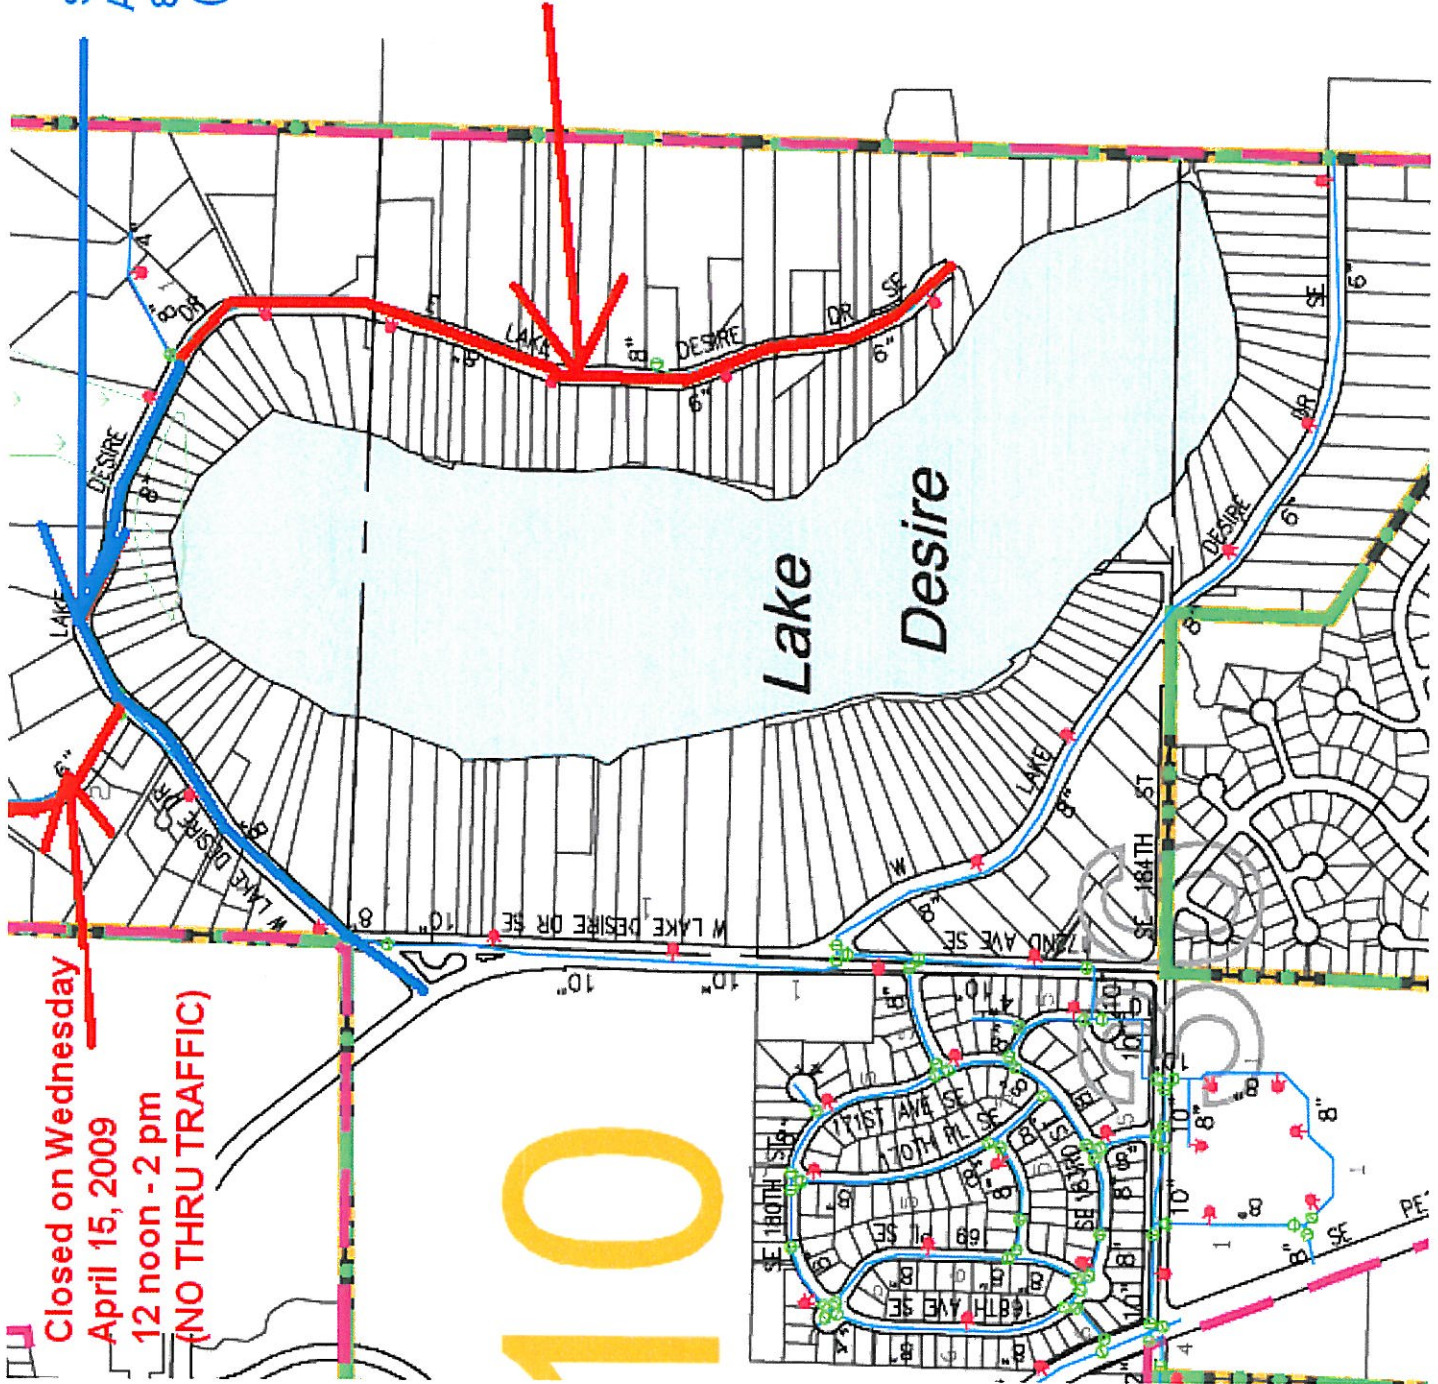

Please note: Asphalt paving has specific temperature requirements and we may not be able to do the work that is scheduled if the weather changes between now and Wednesday. Our intentions are to pave if the opportunity is available so please make necessary preparations for the road closures.

Once the paving is complete there will be no more road closures as a result of this construction. We appreciate your patience and understanding during the paving operation.

If you have any questions please contact Darci McConnell at the District office (253) 630-9900 or Katherine Maxwell at 206-239-8655.

Sincerely,

Alan Eades  
Operations Manager  
Soos Creek Water & Sewer District
